## **SOLOMON LUTHERAN SCHOOL HISTORY**

Since 1862, Solomon Lutheran Church has supported and maintained a day school in Woodville, Ohio. At its beginning and for many years after, Solomon was a parochial school, existing to meet the educational needs of the congregation's children. While we continue to have "parochial" interest in the welfare of our member's children, we have now broadened our scope to include children whose families may not be members of Solomon Lutheran Church, but who are keenly interested in the values of Christian education. Today, Solomon provides a Christian day school opportunity for all of the families of Woodville and surrounding communities. We provide an above-average secular education for each of the individual children in our school, but more importantly, we attempt to assist each of our students in growing spiritually, developing a closer and more personal relationship with Jesus Christ as their personal Lord and Savior.

Dear Parents and Students:

On behalf of the Solomon Lutheran Christian Day School and staff, I would like to welcome you to the 2010-2011 school year. It will be exciting to see and hear the building come alive when our students return.

Our goal at Solomon is to establish an atmosphere where children and adults feel safe, secure, and happy while maximizing their opportunities to learn and grow. We can accomplish this goal together in a learning environment that reflects our Christian beliefs.

The Christian Day School wants and needs your involvement. We encourage you to be an active participant at Solomon. We hope you will feel comfortable to contact members of our staff, S.E.A., or any of our church and school committees to see how you can utilize your talents here. We are very thankful for the many volunteers that came together during the 2009-2010 school year to support various activities and revive the Solomon Church and School Spirit.

Solomon Lutheran Christian Day School has a rich history and has been recognized for providing a solid Christian based education program. We are all committed to continue our mission in Christian Education.

THIS IS YOUR SCHOOL!!!!!! Please do not hesitate to communicate with the staff or myself. We want your input. Please review this handbook with your student as there have been some revisions for the 2010-2011 school year.

Respectfully,

Natalie Schiets

Christian Day School Administrator

Dear Solomon Families,

Welcome to the new 2010-2011 school year! We hope that you are ready for another exciting and inspiring school year. The officers of SEA are excited to make this a great year with your help, ideas, and commitment. The Solomon Education Association's membership is open to all Solomon Lutheran Church members, teachers and administrators of Solomon Lutheran School, and to all parents whom have children enrolled in Solomon Lutheran School. The purpose of Solomon Education Association, (SEA) is to help parents and teachers gain knowledge and skills for more effective Christian education of the children and to provide a closer relationship between home and school. SEA raises funds for the provision of items not covered by tuition and the school budget. This year's goal is to raise funds to support our budgeted and planned events such as camps, field trips, Winterim, and family fun nights. We encourage any suggestions for future improvements and will hold quarterly business meetings to encourage everyone's involvement and support. Look for communication in the weekly Tuesday notes for activity dates, project planning opportunities, fundraising information, and additional ways that you can help. We encourage you to stay involved with your child's education. Thank you for your continued support and commitment to Solomon Lutheran Church and School.

God's Peace,

The Solomon Education Association Officers

### **PARENTAL VOLUNTEER HOURS**

The parent volunteer program was developed to encourage parents to become involved with their child's education and school activities. A minimum commitment of 8 hours of a parent volunteer time per student has been established as the Church and School's expectation. A list of some of the opportunities to volunteer includes:

- Working in the classroom
- Chairing a fundraiser or helping with a fundraiser or and SEA event
- Baking pies or homemade desserts for school events
- Administration requests
- Serving on the Christian Day School Committee or Church and School Community Relations Team or working at any of their activities
- Teacher or Committee requests for at home work (ex. folding, taping, stamping, etc.)
- Supervising on Field Trips/Camps
- Coaching Basketball, Heading the Cheerleading or Pep Club

An email list will be circulated, at request, of upcoming and ongoing volunteer opportunities.

The amount of \$80.00 per student will be billed to you at the end of the school year if you have not volunteered your time. The rate is \$10.00 per hour.

There is a file box with individual cards on the counter in the Church/School office where you can sign in when you volunteer. This is our only way of keeping track of how many hours you have given by helping in the classroom, at recess, activities, etc.

**Together we make a great team and are making a difference in the lives of the children!**

**HOW PARENTS CAN HELP THEIR STUDENT TO BE SUCCESSFUL**

1. Send your child to school in a happy frame of mind. Spare me the burdens of your adult worries.
2. Help your child to be at school on time and see that I come every day unless I am ill.
3. Help your child to respect property and rights of others as I come and go.
4. Help your child to meet and get along with other children. Take an interest in my friends.
5. Help your child to develop confidence in my ability to solve problems and make decisions for himself or herself.
6. Help your child to speak plainly and distinctly.
7. Provide as many different experiences for your child as you feel he or she will enjoy, assimilate and profit from, such as trips to the library, stores, parks, zoos, playgrounds, etc.
8. Teach your child to be truthful, attentive, observing, and useful, but not too forward and boisterous.
9. Give your child plenty of time to grow and mature. Remember...Children do not develop at the same rate, or in the same manner. Please don't compare your child with his or her brother or sister or any other child.
10. Teach your child to have an eye for beauty, to keep things in order and to be thrifty.
11. Allow your child certain responsibilities in keeping with his or her age and see that he or she carries them out.
12. Encourage your child to follow the simple rules of courtesy and good manners.
13. Show an interest in what has happened to your child in school. Praise the results of his or her labor, or at least, praise the effort which went into the making.
14. Don't be too concerned if your child's marks aren't the best in the class, but be sure they are keeping with his or her ability.
15. Refrain from criticizing the teacher or school in your child's presence.
16. Please get your child clothes with simple fastenings so that he or she is able to clothe his or herself with very little help. See that your child's boots are large enough so that he or she can manage them by his or herself.
17. Please put your child's name on all outside wearing apparel; such as coats, hats, caps, sweaters, boots and mittens.
18. Send money to school in an envelope with your child's name and purpose on the outside.

## **CRUSADER COMMENTS**

This informational newsletter is sent home each Tuesday. The newsletter is one of the ways used by the school to inform the parents of school happenings. Crusader Comments' articles must be submitted to the School Administrator by noon on Monday to appear the following day.

## **FAMILY DIRECTORY**

During the fall the school will compile a directory listing the names, email addresses, home addresses, and telephone numbers of our Solomon School families. Prior permission from each family will be obtained. A copy of this directory will be provided to each school family at request. The directory is to be used as a means to facilitate communication between our families and under no circumstances will be distributed for marketing purposes. Parents are asked to mail party invitations home if the entire class is not invited.

## **FINANCES**

Tuition payments are due the first of each month. If this payment deadline cannot be met for any reason, please contact the school office. If the office is not notified of a late payment, parents will be contacted by the Administrator. The registration and tuition policy will be followed accordingly.

Parents will be billed for extended care services at the end of each month, with payment due the first of the month.

All monies for school funds (tuition, lunch money, extended care, etc.) may be written on the same check. A separate check is required when payment is to the S.E.A. If you send a payment to school with your child, do make sure you place it in an envelope with clear instructions as to how the money is to be credited to your account. Your child should give the envelope to his/her teacher first thing in the morning and it will immediately be forwarded to the office.

## **MEYER FINANCIAL AID FUND**

Financial aid funds are available for Students in grades K-6. To apply for assistance, parents are to contact the building Administrator, who will then follow the established procedures to act upon this request. This fund is an ongoing one that is in need of constant support. Members of the congregation and others are encouraged to contribute to this worthy fund.

## **WELLNESS PROGRAM**

The Solomon School Wellness Program is committed to providing a school environment that promotes and protects children's health, well-being, and ability to learn by supporting a healthy diet and physical activity. A complete copy of the Wellness Program Policies on physical activity and nutrition can be obtained from the School Administrator.

## **LOST AND FOUND**

Students who have lost or found something should report it to the classroom teacher. Our lost and found items are kept in the first floor hall or lobby coat racks. Items that are not claimed will be given away or disposed of in some other manner.

## **TELEPHONE**

The school telephone may only be used by students for **emergencies** or **important phone calls**. Staff permission is necessary for a student to use the phone. See Cell Phone Policy.

## **EXTENDED CARE**

Extended care is open from 7:15am – the start of school and after school until 5:30 pm. The cost is \$2.50 per hour with a maximum of \$5.50 per family/hour. There will be a minimum charge of \$1.00 for the 1st half hour regardless if a child is there 5 minutes or 30 minutes. To qualify for the program, the child needs to be enrolled in Kindergarten or higher grade. We do welcome regular and drop-in students from Woodmore and Solomon Lutheran.

An extended care for 4 year old preschoolers is available from 7:15 am to 9:00am and 11:30 am to 5:30 pm on Monday, Wednesday and Friday. Extended care for 3 year old preschoolers is available from 7:15 am to 9:00 am and 11:30 am to 5:30 pm Tuesday and Thursday. The same fees apply.

PLEASE NOTE: There is a late charge of \$1.00 per each five (5) minutes for any pickups after 5:30 pm. The extended care program will be cancelled if the weather is severe and the roads are unsafe for the extended care supervisors. If there is a school delay followed by a cancellation before 7:15am the extended care program will be closed for the day. If there is a delay, then a cancellation after 7:15 am, extended care will remain open unless weather conditions dictate a closing. Parents of children in attendance will be notified immediately if the extended care will be closed due to a Level II or Level III Snow emergency for Sandusky County.

## **CLOSING OF SCHOOL DUE TO INCLEMENT WEATHER OR EMERGENCY**

Announcements of school closings/delays because of inclement weather or an emergency is made on the local radio and television station by 7:00 am. The Woodmore administrator will contact Channel 13, WTVG; Channel 11, WTOL; and Channel 24, WNWO. The following radio stations will carry information regarding school closing and delays:

WFRO am 900 – Fremont      WSPD am 1370 – Toledo

WFOB am 1433 – Fostoria WKKO FM – 99.9 – Toledo

Families that rely on television stations for weather closing/delays will see Solomon listed with Woodmore School. If not, you may assume in the case of bad weather that we are closed/delayed if Woodmore is closed/delayed.

There are special weather related situations that are confusing and perhaps unexpected. Ice storms and fog sometimes appear when buses are picking up students during the high school run and a decision to delay or cancel school has to be made quickly. If a decision to delay or cancel Woodmore Elementary is made after our bus students who are on the Woodmore High School early bus have been picked up, those students will continue to Solomon. If Solomon School closes, families will be notified.

Non-Weather related emergencies that involve Solomon School, but not Woodmore, will be announced on the above television and radio stations as Solomon only. If there is a 2 hour delay due to weather, 3 and 4 year old preschool will be delayed as well.

## **SCHOOL PICTURES**

School pictures will be taken in the fall and spring. They are made available to the students to purchase on a voluntary basis. A yearbook will also be available in the spring, but the parents must order and pay for them during the fall picture day.

## **FIELD TRIPS**

Field trips are encouraged as extensions of the learning taking place in the classrooms. Children must return the written school permission slip before attending a field trip. Teachers make all arrangements for trips away from school. Student groups of more than 20 will be transported by bus. School Board policy is that no student other than the driver's child may sit in the front seat of a car equipped with an air bag.

## **EMERGENCY MEDICAL INFORMATION**

Parents must complete the Emergency Medical Authorization form and have it on file in the school office on or before the first day of school. It is very important when there is any change in address, place of employment, family information or phone number. Please inform the office in writing so that our records are accurate.

In case of a medical emergency, the Woodville EMS will be called. Every attempt will be made to immediately contact a parent. The family physician may also be contacted. An emergency number is also needed if parents are to be out of town.

## **MEDICATION ADMINISTRATION**

The School Administrator or their designee will administrate prescription medication when these steps are followed:

Prescription Drugs:

1. A written request will be made and the school permission form is completed.
2. The doctor's information form is completed and on file.
3. Medicine must be received in the original container dispensed by the doctor or pharmacist. The student's name, name of medication, dosage and time of dosage is to be on the container. Medicine cannot be given without the above information.

Non-Prescription Drugs:

We cannot dispense any medication during the school day, including Tylenol, cough syrup, or any over-the-counter medication unless written notification from the parent is provided.

The Physician/Parent Request, Self Administered Asthma Medication and Non-Prescription Medication

forms are available in the School Office. Your Physician does not have them in his/her office.

### **GRADE CARDS AND HONOR ROLL**

Grade cards will be issued 4 times a year. Percentages will be used in grades 1-6 to report student's progress where appropriate. For example, art, music, and physical education will be graded with E- exceptional, S- Satisfactory, or N- needs improvement. First and second grade teachers may use the E, S, and N in additional areas.

Students in grades 3-6 will be eligible for the school honor roll. A B average is needed to make the honor roll. Solomon's fifth and sixth grade class will be issued interim reports half way through the grading period. Students in grades 3-6 will receive recognition for efforts in improvement. These students will receive B.U.G. (Bring up Grades) acknowledgement 2-3-4 quarters. Students that increase his or her overall average grade from the previous quarter will receive a B.U.G Award.

The following grading system is in use at Solomon:

A - 5 - Superior -----	100-94
B - 4 - Good -----	93-85
C - 3 - Fair -----	84-75
D - 2 - Poor -----	74-65
F - 1 - Failure-----	Below 65
I - 0 - Incomplete -----	

### **HOMEWORK**

Students are given opportunities in school to complete some of their homework. Some class requirements, however, will make it necessary for your child to do some work at home. If you have a question concerning the amount of work your child does or does not bring home, please contact the teacher to discuss the situation.

When a student is absent from school due to illness, he/she has to make up the missed work. A student is given one make-up day for every day of illness. Parents may pick up work at noon or after school, but are asked to phone the school to inform the teacher of their intentions. When a child missed school for a scheduled, excused reason, arrangements for completing the work must be made with the teacher prior to departure. For full credit, this assigned work is due the day the child returns to school. If additional work is assigned during their absence, it is treated the same as a make-up day, (one day to complete.)

### **EQUIPMENT AND BOOKS**

Each student is responsible for the reasonable care of all supplies loaned to him/her by the school. If unusual damage takes place, the student will be fined accordingly.

## **TESTING**

Students in grades 3, 4, 5, and 6 will take the State of Ohio Achievement Assessments in one or more subjects depending on grade level.

## **SCHOOL ENTRANCE**

The Cherry Street Entrance is to be used by all students. Exemptions will be made when there is bad weather. NO PARKING along the school building side of Cherry Street or in the playground parking lot between 7:15 am and 5:30 pm.

## **DISMISSAL PROCEDURES**

In order to provide for the health and safety of our students, Solomon School will use the following dismissal procedures:

1. Bus Students will report to the lobby after school and be supervised by the Teaching Staff. If the bus student does not typically ride the bus, a note or phone call from home to the teacher or office will be necessary. Extended care students will report to the gym and be checked in by the supervisors. Again, if there is a change, please send a note or call the school.
2. Students waiting to be picked up have two options.
  - A.A parent, or designee, may come into the building and meet their child in the lobby.
  - B.A parent, or designee, may drive through the parking lot, picking their child up at the playground doors. Vehicles are asked to line up and wait for their child to exit the doors.

**\*Parents are not permitted to stop in the middle of the Cherry Street to pick up children from the lobby.\*** Parents not wanting to utilize the above methods may park in the parking lot across Cherry Street to wait on student departure. Students are encouraged to safely cross Cherry Street at the cross walk. Students will need a Permission to Walk form completed to exit the building without a parent.

3. Students permitted to walk or ride bikes home must have a permission slip signed by their parent. Bikes must be parked in the bike racks by the playground entrance doors. Students are not permitted to rides through the parking lot while parents are picking children up by the vehicle drive-through procedure.

4. The administrator and teachers will supervise all hallways and exits. Solomon is not responsible for student safety after leaving school grounds.

Our goal is to make Solomon School the healthiest and safest place for students and staff. We can best accomplish this goal by working together.

## **RELEASING STUDENTS FROM SCHOOL DURING SCHOOL HOURS**

Students will be allowed to go home for lunch providing written notification signed by the parents is on file.

Students may be released to a parent/guardian or designated representative with approval of the School Administrator or his/her designated representative. Parent/guardian or designated representative must sign the student in or out on the form found in the office before student leaves the building and upon returning.

If a child is to go home with another student, parents must send a note stating this.

## **CHURCH ATTENDANCE**

Since the spiritual lives of our students are of great concern to Solomon Lutheran School, we strongly encourage parents to regularly provide the family with opportunities to worship and praise the Triune God-Father, Son and Holy Spirit. Solomon's Sunday morning services, Sunday School and Bible classes provide the entire family with weekly spiritual activities. Teachers record the weekly worship attendance of our children at Solomon or their home church.

## **ATTENDANCE**

Your child needs to be in school whenever possible as good attendance is a must for your child to make the most of his/her educational experience. According to the Ohio Administrative Code, the following reasons for absence are valid: Personal illness; Illness in the immediate family; Death of a relative; Observance of a religious holiday; Farm work at home, Family emergency. On those occasions when student will be absent from school, please remember to follow this procedure.

1. Parents are to call the school when their child will be absent from school. We must receive your call (419-849-3600) before 8:30 am.
2. If the school does not hear from the parents, the parents will be contacted at home or at work.
3. Parents must send a note with their child when they return to school explaining his/her absence.
  4. Upon return from an illness, the student will have an equal number of days absent to complete assignment. For example: if a student is absent 1 day, he/she will have 1 day to complete the work. If the work is not complete, the student will receive the appropriate grade.
  5. If a child has been absent or tardy from school for five days during one semester, a warning letter will be mailed to the parents. A second warning letter will be mailed to the parents when absences or tardiness reaches ten days during a semester. After the tenth day, students are required to supply the school with a physician's note to excuse the absences. If no note is provided to the school, the absences will be recorded as unexcused. Credit for work missed during unexcused absences is not permitted.
6. The school will notify the attendance office/County Juvenile Court when a student exceeds the ten days of unexcused absences or tardiness.

## **PERSONAL POSSESSIONS**

I-pods, MP3 players, electronic games, etc. not pertaining to classroom activities are not to be brought to school without the permission of the classroom teacher. The school will not be responsible for any loss or damage to student property. See Cell Phone and Electronic Device Policy.

## **LUNCHESS AND LUNCHROOM MANNERS**

Our Cafeteria cooks provide our students with a lunch program that is both nutritious and tasty. Our lunch program and menu meet the Wellness standards which are set by the State of Ohio guidelines. We encourage parents to purchase lunch and milk tickets instead of sending money each time their child buys lunch. Student's prices are \$2.00 a meal. The meal ticket, at a cost of \$20.00, is used to purchase ten (10) lunches. As a reminder to the parents that a new ticket will need to be purchased, the school secretary will send home the used lunch/milk ticket with the student. Milk tickets are available for \$4.00 and are good for 10 milks. Extra entrée's and/or milk are available but the student will need to bring extra money as they will be unable to charge at the lunch counter. The lunch period is a time for our students to enjoy one another's company. It is also a time when proper social skills are expected. Students are required to wash his or her hands before lunch. It is expected that each student will be responsible for his/her own area and see that papers, silverware, etc. are appropriately handled.

### **PLAYGROUND RULES**

Students will usually go outdoors for recess. Pupils are physically invigorated and mentally stimulated by being exposed to the fresh air sometime during the day. Weather conditions will dictate an occasional indoor recess. Dress your children according to the weather with the idea that they will be going outdoors. Adults always supervise outside as well as inside.

When several classes of students use the playground every day, rules must be established, understood and practiced. It is important that each student respects teachers, aides, and other students while playing on our playground. Playing cannot be fun and safe when students act in a disrespectful or aggressive manner. Children should be encouraged to care about the health and safety of themselves and others while on the playground, during indoor recess and throughout the school day. Please remember that these rules apply during and after school times for your safety.

### **GENERAL RULES**

- Students will be expected to follow the Golden Rule and treat others accordingly. Each student will be expected to treat all students as they would want to be treated.

### **DRESS CODE POLICY**

Solomon Lutheran School recognizes that clothing is an opportunity for students to express individuality and personal choice. The process of comparing choices to a code, making appropriate decisions, and accepting the consequences as part of that decision, all support the growth of the students in thinking and emerging independence. However, it must be remembered that school is primarily a place for work and learning. Any clothing that distracts students, disrupts the educational process, or compromises safety is prohibited. Students must enter school and remain, throughout the entire school day, in dress code compliance. The following guidelines should help parents as they work with their children to choose appropriate school wear.

## **DISCIPLINE**

Solomon Lutheran School's discipline code was developed to promote a Christian learning environment based on respect for the rights of students and of teachers. The Administration, Faculty, and Pastors cannot assume full responsibility for providing the child with all of the necessary discipline to foster the spiritual and moral growth of the child. This must be a responsibility shared with the parents.

In all of our actions dealing with students and parents, the main concern for all of us should be love and concern for each other.

There are certain disruptive behaviors and infractions which demand attention in terms of disciplinary action. The offenses are divided into three (3) levels. In Level 1, teachers or aides use their own judgment in handling the offense. If the teacher's or aid's effort to correct the problem is unsuccessful, the student shall be referred to the Administrator (Level 2). At the discretion of the administrator, the Christian Day School Committee, and pastor(s) may be called in for consultation (Level 3).

### ***LEVEL 1***

Teachers or aides use their own discretion in handling the offense. Teachers or aides evaluate the seriousness and frequency of the offense. After discussing the incident with the student, the teacher or aide will issue a warning or give a response such as removal of break privileges, time-out away from the class, going back and doing the behavior correctly, and other appropriate responses chosen by the teacher or aide.

1. Any verbal or written words manifesting disrespect toward school personnel, other students, teachers or other adults.
2. Being in any place other than that assigned by school authorities.
3. Throwing snowballs
4. Misbehavior in the classroom, on the bus, playground, or in Chapel.
5. Violation of the dress code.
6. Chewing gum, candy, etc. without teacher's approval.
7. Misuse of school property such as desks, chairs, books, etc.
8. Excessive talking.
9. Failure to turn in homework, complete assignments.
10. Being unprepared for class.
11. Disobedience, running in school, yelling, pushing.
12. Excessive noise in the restrooms.

13. Violation of General or Playground rules.

**LEVEL 2**

The administrator uses his/her own discretion in handling the offense. Students will come to the Administrator's office to discuss the offense. Witnesses are called in where necessary. If it is a first offense, a warning is usually given with a reminder of the response actions which could follow. The Administrator will communicate to the parents regarding the warning or responsive action.

Response action may include: removal of break privileges, payment of damage done, an in-school suspension, or other appropriate responses chosen by the administrator. In an in-school suspension, students are removed from their class the entire day. That day's school work is done under the supervision of the administrator or designee. Parents will be informed in advance of an in-school suspension. Students will receive credit for the work done that day.

1. Excessive show of affection between students. This includes close body contact, hugging, kissing, and other actions.
2. Throwing food in the cafeteria or any objects within the classrooms or other areas of the school.
3. Use of profanity and/or obscene languages or gestures.
4. Fighting and/or any verbal or bodily harassment of fellow students.
5. Misbehavior on the school bus.
6. Leaving school grounds without permission.
7. Physical damage to school property.
8. Dishonesty, lying or cheating.
9. Repeat of Level 1 offenses.

**LEVEL 3**

These offenses may require the attention of the administrator, pastor(s) and Christian Day School Committee. Students come to the administrator's office to discuss the offense. Witnesses are called in where needed. If necessary, the student is isolated from the other students and supervised until the parents can be contacted. Students committing Level 3 infractions shall be evaluated by the administrator and at least three (3) members of the Christian Day School Committee before a final determination is made, parents will be notified of the decision. See Section 942 and 630 in the Christian Day School Handbook available in the school office, for due process of the students and parents.

The following offenses are considered serious violations of discipline standards. Sanctions may include suspension or expulsion whether or not criminal prosecution or juvenile proceedings are instituted. A suspension shall be for not less than one (1) or more than ten (10) days. Repeated suspensions may result in expulsion. Upon expulsion, a student may not be allowed to re-enter Solomon Lutheran School.

WEAPONS. Possession, handling, transmitting, or concealing dangerous weapons or instruments capable of harming another person.

**Repeat of Level 2 offenses.**

A student may also be suspended or expelled for serious offenses not listed. When suspension or expulsion is rendered, all work is completed, but automatically marked as no credit or zero.

SUSPENSION AND EXPULSION. There are times when a student with continued discipline problems does not respond to corrective measures used by the teacher and/or Administrator. In such cases, the Administrator may initiate suspension or expulsion from school. The child's parents will be informed of the decision, the reason for it, and the corrective measures that are necessary in a case of suspension for the student to return to school. If the parents desire a hearing before the Christian Day School Committee, one

will be granted within seven (7) days of written request.

## **EMERGENCY REMOVAL OF STUDENT**

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Administrator, Head Teacher, or personnel employed to direct or supervise a student activity program may remove the student from the premises.

If either suspension or expulsion is contemplated, a due process hearing is held with three (3) school days after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action is given to the student as soon as practicable prior to the hearing. The student has the opportunity to appear at an informal hearing before the Administrator and has the right to challenge the reasons for the removal or otherwise explain his/her actions. The person who ordered or requested the removal is present at the hearing. Within one (1) school day of the decision to suspend, written notification is given to the parent(s) of the student, Pastor and Christian Day School Committee. This notice included the reason for the suspension and the right of the student or parent(s) to appeal to the Christian Day School Committee.

If the Christian Day School Committee or Administrator reinstates a student prior to the hearing for emergency removal, the teacher may request, and is given, written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of the alleged misconduct is disposed of either by reinstatement, suspension or expulsion.

In all cases or normal disciplinary procedures in which a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, due process requirements do not apply.

## **LEVEL RED SITUATIONS**

Your child's safety is a top priority. School officials and the Northwest Ohio Regional Terrorism Task Force have been reviewing safety plans in case a Threat Level Red is declared by the United State Department of Homeland Security.

Should a Threat Level Red be announced:

**BEFORE SCHOOL HOURS:** School will be CLOSED.

All activities and events scheduled will be cancelled until further notice. Normal school operations will remain closed until advised to re-open by the Regional Terrorism Task Force.

**DURING SCHOOL HOURS:** School building will be secured and remain open until regular dismissal time unless otherwise directed by the Regional Terrorism Task Force. All after school activities and events will be cancelled.

How can you help?

Advise your child's school if there are any recent changes to your child's Emergency Medical Information. In order to keep phone lines open for possible communications from Regional Terrorism Task Force personnel, schools are asking for your cooperation in not calling the school. The Northwest Ohio Regional Terrorism Task Force will be using local media to update information as it becomes available.

**We encourage you to read through this handbook as we have tried to make this a booklet that will not only be a reference, but a guide to follow throughout the year. We thank you for your cooperation as we take steps on behalf of your children and our staff. We are open to your suggestions for improvement and appreciate you taking the time to review this handbook. May your child and all the students at Solomon have a blessed school year.**

Solomon Lutheran Christian Day School Conflict Resolution Policy

If you, as the parent or guardian of a Solomon Lutheran School student, have concerns about your child's education, we want to talk with you. Sitting down and talking with the people who interact most often with your child on a daily basis - his/her teacher - can remedy most concerns.

1. Honest communication and mutual respect help make the school experience a pleasant one for everyone involved.
2. Since parents and teachers share the responsibility for the education and socialization of children, it is important that they share their perspective on any issue.
3. It is important to address an issue or concern quickly, therefore, you should contact the person most directly involved with your child in regards to the matter of concern.
4. Calling the school and leaving a message for the person to return your call is one way to make contact.
5. You can also send a note or email to the appropriate person requesting a conference with the teacher or staff member.
6. Be sure to state whether you are requesting a personal conference, a phone conference, or perhaps simply a written reply from the person regarding your concern.

Most concerns can be and usually are resolved at the classroom level. However, if after visiting with the teacher or staff member your concerns have not been addressed, you may choose to schedule an appointment with the school administrator. If meeting with the administrator does not produce a satisfactory resolution, then the parents may proceed to requesting a meeting with the school superintendent (the head pastor). If a satisfactory resolution is still not achieved the parents may proceed to the church executive council by bringing the matter to the executive council in writing.

2. The second offense will result in confiscation of the phone/device, the student will be assessed a \$50.00 fine, and the student will be given a 1 day out of school suspension without the option of making up the schoolwork. The phone/device will not be returned until the fine has been paid.

# Registration and Tuition Policy

## Purpose

The purpose of the registration fee and tuition payments is to facilitate effective planning and contribute to the financial support of the Christian Day School.

Tuition only represents a portion of the cost to educate students. The Christian Day School is dependent upon Solomon Lutheran Church and designated gifts for financial support.

Solomon member families will be provided with reduced tuition to encourage families to continue support of the church's mission.

## Policy

- 1.Registration fees are due on the established date prior to the start of each school year. Failure to make payment or to make arrangements prior to registration day will prevent the child from attending school. Registration fees will not be refunded once school has started.
- 2.When monthly installments are made, tuition payments will begin 30 days prior to the beginning of the school year and end 30 days prior to the end of the same school year.
- 3.When circumstances exist that make timely payments of tuition or fees improbable, the school administrator should be contacted to establish a payment plan or discuss application for financial assistance. Congregational Council through Finance and Executive Committees will review payment plans that result in tuition payments remaining in arrears beyond the end of each semester.
- 4.Failure to comply with timely payment or to make arrangements prior to the date a payment is due will be dealt with in the following manner.
  - Late payments in excess of 10 days will be assessed an 8% penalty, accrued monthly.
  - Grades will be withheld until payments are current and the end of each grading period.
  - Tuition that remains unpaid at the end of the semester will result in exclusion from classes and programs at the Christian Day School until payments are current.
  - Transcripts of the child's grades will not be forwarded until all fees and tuition have been received.
