

## Constitution Day

Tomorrow after chapel services, the 5<sup>th</sup> grade class will present a program about our Founding Fathers. Please join us as the fifth graders explore the Constitution and tell us about our country's early history. The Ohio Department of Education sets curriculum content standards for each grade level in each subject from Pre-Kindergarten through 12<sup>th</sup> grade. This presentation meets a requirement of the 5<sup>th</sup> grade Social Studies curriculum. Can you name any of the Founding Fathers? Join us around 9:00 am to find out.

## Chapel Challenge - Kiddie Kits

We have an offering challenge for chapel this month. We are trying to bring in enough money to pay for the materials and shipping for the Kiddie Kits for Lutheran World Relief. These school kits give paper, pencils, pencil sharpener, eraser, crayons, ruler, and scissors to children in need anywhere in the world. We need \$555.00. In the three weeks of September offering, we have already collected \$377.00. There are two weeks left. Would your family consider making an extra offering one of those weeks for the Kiddie Kits? We are so blessed to have everything available to us at school. This is a chance to help those in need. An update will be given next week. Thank you for your support!

## Student of the Week

Jon Michael Hegemier  
Congratulation caught being  
Good!

## Lunch Room Volunteers

We are in need of volunteers to help monitor the lunch room during the school day. Help is needed from 11:40 am - 12:20 pm, Monday through Friday. The volunteer would check lunch counts, assist children opening food containers, and monitor children's behavior. If you would like to help, please send a note to your child's teacher. Your time will count towards your volunteer hours. Thanks for your help!

## Energy Day

On October 4 from 9:00 AM - 4:00 PM Solomon members and school families can gather to help save the organization money by changing the incandescent bulbs to Compact Florescent Lights (CFLs) and install motion sensors on light switches. By making these changes, it is estimated that we will save \$2,000 per year in electric. The event is sponsored by Thrivent and we will receive \$500 grant to assist with the cost. Lunch will be provided. Come join the fellowship and help Solomon save on energy costs.

## Community Relations and Development Committee

We are still looking for members of the Community Relations Committee and Development Committee. Please see last week's issue of the Crusader's Comments for details and opportunities to help out. Anyone is welcome. Thank you!

Lime Fest Baseball Game - September 28, 2:00  
Current Orders due - October 3  
Energy Day - October 4, 9:00 am - 4:00 PM

## SEA Corner

**Schwan's:** Thank you to everyone who participated in our first Schwan's Truckload sale...we profited \$250 for our first event and are excited about future events with the sales. Schwan's has agreed to be a part of the Lime Festival on Saturday, September 27<sup>th</sup> and again, all 15-25% of the profits from the sales will be donated back to Solomon School! They will be set up in town that day and we are hoping for a big day there as well!!

**SCRIP:** Aren't you excited to be able to shop online for your scrip and even better, benefit from the profits? Our first order will be placed on MONDAY, September 22<sup>nd</sup>, so please have your orders in by 9:00 AM that day. If you were able to attend Open House, you received a packet on the program and all of its enhancements. If you were unable to be there, a packet should have been sent home. Extra booklets are available outside the school office for your convenience and if you have questions please contact Kathy Barbee or Carla Perez.

**Sign-Up Sheets** for our SEA fundraisers and upcoming events at the school are posted outside the school office for your convenience. THANK YOU to all of you who have already signed up and to those of you who have not, there is still time. If you have questions about the events, please contact and SEA officer—Connie Davis, Sarah Rewoldt, Karen Overmyer, Denise Hetrick, or Carla Perez.

**Secret Pals:** If you didn't get a chance to sign-up to be a staff member's Secret Pal and would still like to be one...6 more are needed. Please contact Carla Perez if you are interested in providing a staff member with a little cheer throughout the year.

## Current Sales

Your Current packets have been sent home with your children and the fundraiser is officially started!!! Some of you may have more than one order form and it is only necessary to turn in one per family, unless of course you sold enough to complete more than one order form. The profits from this fundraiser will go to the SEA budget to cover expenses that were approved at Open House such as supplies, winterim, field trips, next year camp expenses, etc. The school will profit 50% of the sales and this fundraiser always proves to be a favorite, so be sure to share your book with family, friends, and co-workers. If you need more books and/or order forms, they are available as well.

In addition, if you have out of town relatives and friends that you would like to mail an invitation to order online, we have postcards that can be mailed. There is a stack of them outside the school office for your convenience. When ordering online you will need to go to [www.currentfun.com](http://www.currentfun.com). You will need to click on the OH (for our state) and the SOLOMON LUTHERAN SCHOOL (Organization/Participant) and then you will need to use the first 6-10 letters of your last name (that's the seller's last name) for the participant code so that our school receives the credit. Shipping and handling will apply to online orders but can be sent straight to your home. Again, thank you for all your help in making this fundraiser a success!!! Please contact Carla Perez at 419-277-0321 if you have any questions or problems with this fundraiser.

**THANK YOU PARENTS FOR ALL YOU DO!!!!**
