Congratulations caught being Good!

Come be a part of Solomon's

COMMUNITY RELATIONS TEAM

Solomon's Community Relations Team will be holding its first team meeting Monday, December 15th at 7pm. We are looking for energetic, creative members to help develop and maintain effective communications within the congregation, school, and our surrounding communities. What creative interests and talents can you bring to the team? Maybe you have experience in newspaper article writing, brochure creation, web advertising or public speaking? Maybe you have no particular experience but just feel in your heart that we need to "get the word out" and share the joyful and faithful tradition that is Solomon Lutheran Church and School. Please know that you do not need to be a Solomon church member to be a part of the team. This will be a very brief meeting to get the team off to a great and productive start and yes- as a little extra incentive- dessert will be served!

Please RSVP by completing the form below and returning to the school office by Sunday, December 14th.

Pep Squad

Thanks to Mrs. Hablitzel and Mrs. Coutcher, the Pep Squad has advisors! Practices will be on Home game days, starting 45 minutes before the games. So, next practice is Thursday, January 8th at 3:45. GO CRUSADERS!

Craft Bazaar

THANK YOU ~ THANK YOU !!!!!

A big THANK YOU to everyone who helped make this past Saturday's Holiday Craft Bazaar a huge success. We had a great turnout, had some new crafters, the food was awesome, and the teamwork from all the volunteers was amazing and so appreciated !!!! The setup committee, the kitchen crews, people that donated food and pies, the clean-up crew, the LYO, and all of you who helped in any way or even came to eat or shop -- WOW, what a success and we couldn't have done it without you !!!!!!!

Solomon's Development Committee will be meeting Wednesday, December 17th at 7:00pm in the Reading Classroom in the Basement. Plans are underway for the 2009 Annual Fund Appeal and help is needed. Please consider attending and being a part of securing Solomon School's financial security.
