# POP TAB UPDATE....

The pop tab contest for this year is ongoing and it is time for an update. Each class has collected at least one jug full of pop tabs ! The class that has the highest average collected per student will earn a HAPPY MEAL from McDonald's at the end of the year. The pop tabs are recycled and the money that the RONALD MCDONALD HOUSE profits will help to buy food for the families who are staying at the house while their children are at the Toledo Hospital. Let's see which class will pick up the most tabs for Ronald and win the contest !!

The following chart shows the # of students per class, the number of filled pop tab jugs that have been collected, and the total weight per student average. The total weight of the tabs for one jug filled is approximately 14 pounds. Keep up the good work and let's keep "picking up the tab for RONALD !!!"

The S.E.A. officers along with Adrienne Sedlemeir would like to invite any one who is interested in helping with the upcoming auction to a kick off meeting to be held Wednesday, February 18th at 7:00. The meeting will be held in the Solomon lounge and we would encourage any ideas and support. This school fundraiser is one of the most successful events that we hold on a bi-yearly basis and its success overall is very important to the school financially. It is also a great time for fellowship with other families and we are very excited about making it the best one ever. If you are available to attend on Wednesday, we would so appreciate any help that you could lend in making this another year of success and fun !!! Hope to see you Wed., Feb 18th at 7:00.

THANK YOU to everyone who helped make this past Little Caesar's Pizza fundraiser a success. The school earned over \$1850 in profit and that was due to your help and selling efforts. Thank you also to the delivery crew who helped unload all the kits, organize them by order, and help get them out to family's cars that night. It was a team effort and very much appreciated....Thank you ~~ Thank you !!! Carla Perez
