This Friday marks the end of the first nine week grading period. Wow, your student is one-fourth of their way through the 2009-2010 school year! Congratulate your child for working so hard. Progress Reports will be sent home for students in K - 6th on Friday, November 6. Please sign the envelope, keep the report, and return the envelope to school. Parent/Teacher Conference appointment times will be sent home with your students (K-6th) this week. Please send a note if the assigned appointment time will not work. We look forward to seeing all our Solomon Parents at Conferences!
