Congratulations Caught Being Good!

Message from Administrator

Congratulations to all students in K-6 for completing outstanding Science Fair Projects! We were all so impressed with the quality of your projects and knowledge of your subject. Great job! Thank you parents for helping your child succeed, your support is vital to their education and we appreciate you!

Included in this Crusader's Comment is the Honor Roll for children earning an average grade of 85% or higher. Congratulations to all students for working so hard this first quarter.
