### Message from Administrator

I would like to take the opportunity to thank parents, grandparents, family members, staff members, and friends of Solomon for the endless support that each provide. You show it in so many ways: volunteering here at school, collecting Box Tops, saving receipts, donating to the Annual Fund Appeal, participating in fundraisers, teaching, giving your talents, the list goes on and on. Mostly though, thank you for giving for our students here at Solomon. We are a team working together to provide a Christian Education to our children and need the support of one another to be the best possible. I cannot say it enough, thank you for all you do for the children here at Solomon! Each child is a unique treasure that we cherish each and everyday. God Bless You!
