Message from Administrator

We are excited to welcome our Grandfriends tomorrow morning to share worship, visit classrooms, have refreshments, and shop at the book fair. Please have your Grandfriend meet his or her student in the classroom and sit together at chapel. Chapel starts at 8:30 am.

The school closure on Friday prevented us from having the Toledo Symphony perform for us. A rescheduled date will be announced shortly. Yesterday, however, the students in Kindergarten - 6th grade were able to complete the other scheduled Winterim classes. Ask your student what his or her favorite yoga pose was or what healthy snack his or her class made. Would you like the recipe to make more gooey ooze? When the projects dry and are painted, each student will be bringing home a Paper Mache project. Did you know we have engineers here at school? The students built bridges and tested each structure's strength. How many ounces did your child's bridge hold? Check the website for pictures of our day. I hope the students enjoyed the day and learned some interesting things too! Thank you to the parents that volunteered to help the teachers in each class and to SEA for providing pizza and helping in the kitchen. We are very grateful for your participation and help.

This weekend is the Kick Off Dinner for our Annual Fund Appeal. The theme, *Together We Can*, is very appropriate as we all need to join together to make a difference in our children's lives. The Annual Fund Appeal is a necessary fundraising event which helps to fund the operational budget and Meyer Financial Aid fund. An evening of entertainment is planned for you. Please join us this Saturday evening at 7:00 pm to hear the Big Band music of *The Swingsters* with dinner and child care services provided. Hope to see you here!
