Message from Administrator

What an awesome job the students did at the musical performances! I hope that you were able to attend at least one show. Thank you to the staff for working so hard to prepare the children. Your dedication to this school and our students are such a blessing! Thank you to our parents for making the commitment to bring your children to the performances, attend the shows, and your donations to the Annual Fund. A total of \$890.06 was collected during the musical Wednesday morning and Thursday evening. Finally, a great big thank you is given to our students for practicing hard and giving great performances. You all did a fabulous job!

With the musical now behind us, we will continue to work hard on academic learning. It is hard to believe that the end of the third quarter and Easter break is next week. The 3rd - 6th graders will take the Ohio Achievement Assessments the week of April 19. These assessments are great indicators for us to determine individual strengths and weaknesses and where we need to focus. It is also good practice for students so that each is familiar with the testing format he or she will see in high school on the Ohio Graduation Tests. Have a blessed week.

There are directions and more can be found on the internet or the library. If you would like the loom, please send a note to Mrs. Nickelsen.
