## Message from Administrator

Happy National Teacher Appreciation Week! Please help me thank our teachers this week for the dedication that each teacher gives to our students. I see it each and every day as the administrator, but also know as a parent that I could not have chosen a better place for my children to attend. A big thank you is extended to our teachers and staff for making our children's educational environment so wonderful. You are the best!

## Jump Rope for Your Heart

Join us Friday at 2:15 in the parking lot for some jumping! We will need rope turners and encouragement! Come cheer us on. If it is raining, we will be jumping in the gym.

## Huntington Arena Events

As you may be aware, tuition alone does not cover the total expenses of running the school and additional revenue sources are needed to sustain the budget. We have the opportunity to earn income for Solomon by volunteering to work at the concession stands at a variety of events at the new Huntington Arena. If this is a successful endeavor, we will investigate other places, like the Toledo Walleye and Mud Hens' stadiums. Please complete the form below to express your interest level. Thank you!

We have tentatively reserved a stand the evening of June 4<sup>th</sup> (last day of school) at the Huntington Arena for the Brad Paisley concert. We need at least 15 adults willing to work in order to commit to the date. The stand and exact hours are unknown at this time but usually workers must arrive 2 hours before and stay 1 hour after events for clean-up. You do not need a ticket to the concert to work at the stand. Children are not permitted in the concession area. Training is provided before the events. Please complete the below form and return it ASAP! Thanks!
